

# Hot Box Measuring Template

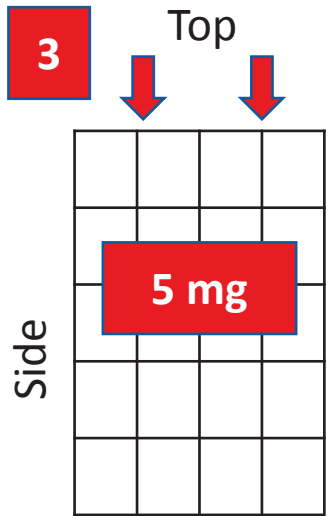

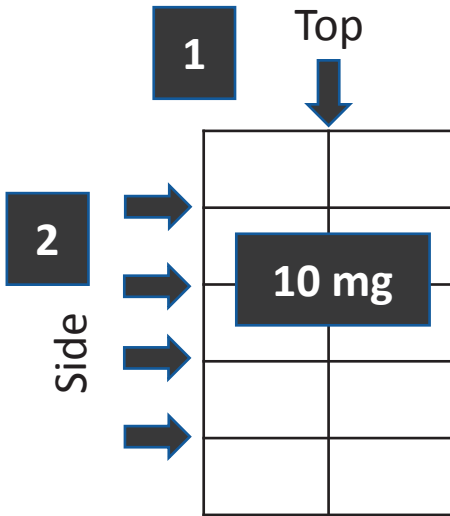

Instructions to cut brownies into 10 or 5 mg servings:

**Step 1:** Make one cut vertically from top to bottom in the middle of the tray.

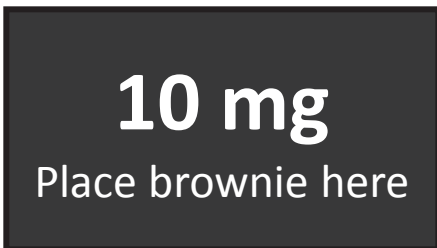

**Step 2:** Make 4 cuts horizontally to create 5 equal rows.

**Step 3:** (Optional): For 5 mg, make 2 cuts vertically on each side of the middle cut.

Place any leftover brownies in the provided resealable, child-resistant bag.

For additional accuracy, place cut brownie on the sized examples below.

*Enjoy!*

**Tips for optimal experience:** Our brownies are so good it's easy to eat them just for the taste, but don't forget they contain THC. Start low, go slow. Marijuana edibles take longer to feel the effect. Please use cannabis responsibly.

Store cannabis out of reach of children and animals.  
Cannabis products are for adults over the age of 21.
